About ISO Updates

The most popular international standards ISO 9001 and ISO 14001 have been revised and the final standards were published on September 2015. At the same time the publication of ISO 45001, the ISO standard that will replace OHSAS 18001, is expected before March 2017. Read more: <http://www.lrqa.com/iso-standards-revisions>
